Introduction

This guide outlines how you can open and sustain a Donor Advised Fund at RSF Social Finance. It details the benefits of RSF’s program, outlines its fee structure, and provides information on the policies and procedures followed. To ensure accuracy, we update this document annually.

About RSF

Founded in 1936 as the Rudolf Steiner Foundation, RSF has continued to be a pioneering force in social finance. In 1984, it began providing direct loans, primarily for real estate purchase or construction, to organizations and projects inspired by Steiner’s lectures on associative economics and social renewal. In the 1990s, we expanded our mission to serve a broader range of clients with compatible values and intentions, including those engaged in non-profit and for-profit social enterprise.

Today, RSF provides opportunities for people to align their investing and giving with their values and connects social entrepreneurs with diverse forms of capital. RSF believes that people are served best by long-term financial relationships that are direct, transparent and personal. These relationships build a foundation of trust and collaboration to emerge and lead to long-term social, economic, and
environmental benefit. Since 1984, RSF has made over $600 million in loans, grants, and investments in social enterprises in the areas of food and agriculture; education and the arts; and climate and environment.

RSF frames all of its work by its vision, mission, and values.

Vision
We envision a world in which money serves the highest intentions of the human spirit and contributes to an economy based on generosity and interconnectedness.

Mission
To create financial relationships that are direct, transparent, personal and focused on long-term social, economic and environmental benefit.

We achieve our mission by:
  − Offering investors and donors dynamic ways to align their money with their values.
  − Connecting entrepreneurs with diverse forms of capital.
  − Empowering leaders and advancing innovations in the field of social finance.

Values
Cultivating Gratitude <-> Building Trust <-> Encouraging Radical Collaboration

Opening a Donor Advised Fund

To establish an RSF Donor Advised Fund, please complete the agreement form located at the end of this document. Remember to read this program guide carefully before signing the agreement.

Contributions
You may establish an account with an initial contribution of $5,000 or more.

Minimum Balance
Donor advisors must maintain a minimum account balance of $500.

3rd Party Contributions
Individuals, corporations, and foundations that are not the initiator of the account may contribute to an RSF Donor Advised Fund and receive a tax acknowledgement letter. Other contributors are not eligible for any advisory services by making additional contributions.

Types of Contributions
Donor advisors may contribute cash, mutual fund shares, stocks, bonds, and other marketable securities to their accounts. Under certain circumstances, RSF is also able to accept shares of privately held companies. Contributions made in cash must be delivered by check or through wire transfer. Donor advisors should mail check contributions to:

RSF Social Finance
1002 O’Reilly Avenue
San Francisco, CA 94129

Irrevocable Gifts
Once RSF has accepted a contribution to a Donor Advised Fund, it is irrevocable.

Online client portal
We offer donor advisors access to RSF’s online client portal. In it, you can manage account details, submit grant recommendations and view recurring grant recommendations, authorized parties, and grant history. The portal also allows donor advisors to go paperless on quarterly communications such as client statements, community updates, and newsletters.

Tax Considerations
By contributing to a Donor Advised Fund, you are eligible for a tax deduction. The amount of the deduction depends on the type of asset contributed. Please consult with your tax advisor to determine the amount of your deduction, and to discuss the best ways to maximize the tax advantages.

Deduction Limitations
Deductions for charitable contributions are subject to Internal Revenue Code limits based on the percentage of adjusted gross income (AGI) you earn in the year of the gift. However, contributions that exceed these percentage limitations may be carried forward up to five subsequent years. Please contact your tax advisor to determine your tax deductibility limits. Generally speaking, donations to public charities like RSF, including to DAFs, are the most favorable for tax purposes.
Publicly Traded Securities
For publicly traded securities held for more than a year, you may deduct up to the fair market value of the securities contributed. For securities or mutual fund shares held for a year or less, IRS rules limit your deduction to the lower of your cost basis or the fair market value.

Estate Tax
Since gifts to Donor Advised Funds are irrevocable, the contributed assets and any related earnings are no longer part of your estate and not taxable upon death. You may reduce your estate tax burden by bequeathing to your Donor Advised Fund, though we recommend you consult a legal or tax advisor to see if this option is possible for your specific circumstances.

Income and Earnings Treatment
Income that accrues to your Donor Advised Fund will increase the fund's available balance for charitable grantmaking but is neither taxable nor deductible to you.

Investment Options
RSF invests every Donor Advised Fund according to our organizational purpose, values, and operating principles, and in alignment with our investment thesis that seeks out investments that are direct, transparent, and based on long-term relationships. DAF investments are selected based on their social and environmental impact as well as their financial performance. Donor advisors may recommend RSF invest their DAF in two offerings: the Liquidity Portfolio and the Food System Transformation Fund.

Liquidity Portfolio
The Liquidity Portfolio seeks safe and relatively liquid cash opportunities that achieve deep impact. This portfolio is comprised primarily of placements with leading community development and environmental banks and financial institutions. It focuses on creating long-term relationships with organizations that offer unique opportunities for social and environmental impact in their local communities by supporting economic development projects, affordable housing, and environmental initiatives. This portfolio offers donor advisors an opportunity to preserve principal and retains liquidity for grantmaking—all while supporting leading mission-driven financial institutions. Target returns are commensurate with money market accounts.

Food System Transformation Fund
Donor advisors may also invest in RSF’s Food System Transformation Fund. Dedicated to creating a more healthful regional food system, this fund provides catalytic capital to social enterprises that address key ecological or social issues in the food system using replicable strategies. To invest in this option, donor advisors must commit at least $50,000 for five years. The investment will earn a 1 percent annual return, which RSF will return to the Donor Advised Fund for grantmaking. Donor advisors should note that this fund carries greater risk to principal since defaults on the underlying loans are shared pro rata across the fund’s investors.
Grantmaking

Recommendations
As the donor advisor, you may recommend grants from your Donor Advised Fund to 501(c)3 charitable organizations and qualified international charitable projects. Once you complete and submit a Grant Recommendation, available in paper form (available at the end of this guide) or online via the RSF client portal, our Philanthropic Services staff will review and process the recommendation. We review recommendations on a weekly cycle.

Disbursements
RSF disburses grant funds on a weekly cycle. As a default, we send grantees funds by check unless otherwise requested by a donor advisor or grantee. Grants over $25,000 require a minimum of two weeks for processing. The time required for RSF to process an international grant ranges from one to three months. With each grant disbursement, RSF will send a letter accompanying to the recipient organization identifying the gift according to the wishes specified by the donor advisor on his or her grant recommendation.

Guidelines
The following guidelines apply to your grant recommendation:

<tr>
<th>Minimum Grant Amount:</th>
<th>$250</th>

<tbody>
<tr>
<td>Minimum International Grant Amount:</td>
<td>$5,000</td>

Eligible Charities
By law, RSF can only grant to charitable organizations recognized as tax-exempt by the Internal Revenue Service. Under certain circumstances, we can grant to international charities; however, these grants require more in-depth due diligence and correspondence and are subject to additional fees.

Ineligible Grants
RSF does not make grants to individuals, private non-operating foundations, or political candidates or parties. We also will not accept grant recommendations that intend to fulfill pre-existing pledges or confer a private benefit; that includes but is not limited to the payment of membership fees, the purchase of benefit tickets, or items bought at a charitable auction.

Fees and Expenses

RSF Community Contribution
With RSF Philanthropic Services, our goal is to cultivate gift as the source of economic life. Donor Advised Funds play an essential role in doing this work. And unlike other Donor Advised Fund providers, the costs your account incurs directly support our nonprofit’s mission to reimagine money and push it to the highest intents of the human spirit. We depend on your Community Contribution not only to fund excellent, human-centered services for donor advisors but also to advance innovation and thought leadership in the fields of social finance and philanthropy.
RSF will deduct the following Community Contribution from your account annually, based on the average daily balance:

A. 1.25% of the first $1,000,000 of the Fund's net asset value.
B. 1.00% of the next $2,000,000 of the Fund's net asset value up to $3,000,000.
C. 0.75% of the Fund's net asset value over $3,000,000.

Investment Fees
In addition to the RSF Community Contribution, RSF will charge 0.60 percent annualized on assets invested in the Liquidity Portfolio. Funds invested in the Food System Transformation Fund do not incur investment fees.

Fee for International Grants
Due to additional due diligence and follow-up requirements, all grants made to international charitable organizations are subject to the following fee schedule:

A. $750 for international grantees new to RSF.
B. $500 per grant for repeat grantees if any of the following conditions apply:
   a. The grantee received no grants from the donor advisor for over a year, or
   b. Changes to the organization’s structure or leadership require a new round of due diligence, even if less than one year has passed since the most recent grant.
C. $350 per grant for repeat grantee within a year of the most recent grant and no additional due diligence is required.

Other Fees
In addition to the fees described above, RSF reserves the right to deduct commissions or any other fees incurred by RSF from a Donor Advised Fund.

Succession Options
Choosing a successor
When you open a Donor Advised Fund, you may choose a successor(s) to take over advising the fund and make grant recommendations after your death. You may name any individual you like, including your spouse, child, heir, or another representative. If it is a joint account, succession applies only after the deaths of all donor advisors. Therefore, if one donor advisor dies, the remaining donor advisor(s) retains all rights to recommend grants and name successors. Upon assuming the rights and responsibilities of the Donor Advised Fund, the successor(s) may designate his or her choice for successor.

Charitable Beneficiary
Instead of naming an individual as a successor, you may choose to recommend one or more eligible organizations as the beneficiary of your Donor Advised Fund account. Recommendations for a charitable beneficiary are subject to review and approval by RSF. Upon formal notice of a donor advisor’s death, RSF will send the beneficiary organization(s) the account’s remaining balance less any pending fees—provided it (or they) remain an eligible charitable organization.

You may choose a combination of both successors and beneficiaries for your account.
No Successor
If you do not name a successor or recommend a charitable organization as your beneficiary upon your death, the balance of your account will be transferred to RSF for general grantmaking at RSF's discretion.

Receipts And Statements

Charitable Gift Receipts
Upon acceptance of a gift, RSF will provide a confirmation letter acknowledging the gift. You will be responsible for establishing the value of any non-cash contributions for tax deduction purposes.

Statements
RSF will provide quarterly account statements, available in both paper and electronic forms, indicating the fund’s balance and activity for the period, including:

− Gifts received and credited to the fund
− Grants made from the fund
− Investment activity
